"ESTATE" STYLE

RESIDENTIAL WIRELESS ENTRY INTERCOM (F3100MBC)

Designed for added security to your automated gate with the ability to "speak to" and "screen" visitors safely from inside your home. Ideal for securing gate entrances while providing controlled access.

STANDARD FEATURES

- **Increased Surveillance:** Screen visitors and solicitors safely from inside your home.
- **Superior Range:** Crystal clear two-way wireless communication up to 500 ft. (152.4 m).
- **Stand Alone Keypad:** Program up to 100 entry codes for added security.

Motion activated backlit keypad
Attractive aluminum faceplate
Vandal resistant locked housing

- **Access Control:** Accept or deny access to your property with the touch of a button.
- **Interior intercom** is mobile and can be used anywhere in your home (battery and charger included).
- **Accepts up to 4 base stations:** Kit includes one base station with rechargeable battery.
- **Exterior Intercom/Keypad** can be powered with four "AA" batteries (not included) or the gate operator's 12 Volt DC power source.

Accepts up to 4
base units

Intercom/Keypad

Indoor Base Station

SUGGESTED ACCESSORIES

- Gooseneck Pedestal (F110/F100)
 - Additional Indoor Base Stations (F3101MBC)
- *Due to FCC regulations and local RF environmental "noise," some applications may require hard wiring between the two devices.
